Dear Richard Kenchington,

Thank you for taking the time to contact The Department for Communities and Local Government.

The Secretary of State for Housing, Communities and Local Government wrote to the Eastleigh Borough Council on 16 November 2017 commencing the formal process of considering intervention in the local plan. Council's had until 31 January 2018 to respond with their exceptional circumstances.

The Secretary of State has received the Council's response and is now considering whether to intervene and an announcement will be made in due course.

With thanks again for your time,

William Burrows
